Legend Legend 1 by Marie Lu Goodreads Share book

Still I can't pretend Legend is a good book, I just can't. The following gif shows my feeling toward this book: Oka Pre-review: I read Legend because I'd heard good things about it, but after reading half of this book, I found I'm not happy with the story, not at all.

Legend by Marie Lu Book Reviews Featured Books

Legend is a so-so book that I still managed to enjoy, perhaps in spite of myself. Since it s Marie Lu s debut, I m hoping future books in the series will show improvement. In any case, I found this book to be entertaining, but hardly worthwhile on an intellectual level.
