### **Parallel universes in fiction Wikipedia**

A parallel universe is a hypothetical self-contained reality co-existing with one's own. A specific group of parallel universes are called a "multiverse", although this term can also be used to describe the possible parallel universes that constitute reality. While the terms "parallel universe" and "alternative reality" are generally synonymous and can be used interchangeably in most cases

### **12 Books for Kids Not Ready for Harry Potter**

Every child should read Harry Potter, but not every child is ready to read the entire series in one go. I mentioned in my post about how to choose chapter books for kids that the age of the protagonist is a good general guideline for the age of the reader. Harry Potter is 11 in book one and 17 in the final book.
