Extras is the unexpected final book in the Uglies series, following what was originally touted as a trilogy. The series is set in a dystopian future in which the ideas of beauty and conformity are the central ideals of the society. Uglies Uglies Series 1 by Scott Westerfeld Paperback

The book Uglies by Scott Westerfeld is a good book,i give it 5/5 stars. I like the fact that Tally goes through betrayals and side changes. The problems Tally faces are realistic,like when she has to chose to go or to stay at the Smoke.
