Near death experience Wikipedia

A near-death experience (NDE) is a personal experience associated with death or impending death. When positive, such experiences may encompass a variety of sensations including detachment from the body, feelings of levitation, total serenity, security, warmth, the experience of absolute dissolution, and the presence of a light.

True Stories of Near Death Experiences ThoughtCo

Is there life after death? Some of our most compelling evidence for an existence after death comes from people who have had near-death experiences. They have clinically died, or nearly so, and in that time seem to go "somewhere," where they have a variety of remarkable encounters. Here are some of those stories from readers.

Near Death Experiences and the Afterlife

Here are three universal truths: (1) Life is God because everything is a part of God. (2) Light is God because everything is made of light. (3) Love is God because everything is held together by God. These truths come from people who have had near-death experiences. These same truths come from Jesus, Buddha, Krishna, Moses, Muhammad, Zoroaster, etc..
