The Stranger is not merely one of the most widely read novels of the 20th century, but one of the books likely to outlive it. Written in 1946, Camus's compelling and troubling tale of a disaffected, apparently amoral young man has earned a durable popularity (and remains a staple of U.S. high school literature courses) in part because it reveals so vividly the anxieties of its time.

The Stranger by Albert Camus

The book is simply written and a rather quick read, but the depth Camus manages to convey through this

simplicity is astounding. I think a problem a lot of people have with this book is that they fail to look beyond the whole "what is the meaning of life" message.
