Air Force Survival Manual Survival reddit

First, there are two Air Force Survival Manuals that I am looking at on Amazon, but I cannot tell the difference between them aside from cover color and cost. The blue manual is very expensive when bought new (over

\$100), but does have a description.

USAF AFR 64 4 Vol 1 Survival Manual Internet Archive

Coverage of cold environment survival is superb. Haven't read more of the Air Force manuals but have lived in cold climates and whereof it speaks. Army manual FM 21-76 is also good, especially for warm and hot climates as is "Bushcraft" by Richard Graves of Australia. 64-4 is 569 pages so it takes more than an afternoon's perusing.

Air Force Survival Training Manual Free Download

Well, if there s one survival manual that I highly recommend it is the Air Force Survival Training manual. The Air Force Survival Training manual (specifically the AFR-64) is, in my opinion, the cream of the crop.
