### **Replay by Ken Grimwood Goodreads Share book**

Replay one of most interesting and compelling science fiction novels I've ever read. It's cleverness is only exceeded by the book's probing insights into love, values and the human spirit. Replay is a page turner, so be prepared to miss meals and train stops.

### **Replay by Ken Grimwood Paperback Barnes Noble**

Replay begs to be read in one sitting, you just can't wait to find out what will happen next. This is a book I will purchase again (although I am still stalking the friend I lent the original hardcover to!). You will want to read Replay several times, there is always something you might have missed during prior reads.

### **Replay by Sharon Creech Goodreads Share book**

The book Replay by Sharon Creech is an entertaining, exciting, and relatable for the average young adult. The author has a different format of her text than other authors. The dialogue is written like a script. This was my first time seeing this in a book, but I enjoyed it very much.

### **Sharon Creech Replay by Sharon Creech**

So what inspired this book? Two things mainly. The first was that I was thinking about how much of my life involves spinning scenes in my mind and then onto paper and I wondered if that came from the needing or wanting to reshape or replay the often chaotic scenes of real life.
