Little Chapel on the River A Pub a Town and the Search

Little Chapel on the River is a community study of even tempo and simple observation. I appreciated the author's reserve in description of both place and people.

Little Chapel on the River A Pub a Town and the Search

Little Chapel on the River is a wonderful read,a book that made me think about people, community,and place.I loved the way, the author revealed how she changed and grew in an unlikely place, after 9/11.The story of loyalty, friendship, growth, and humor touched my heart, and not in a sappy way.Will recommend this book to many.

Little Chapel on the River The New York Times

Aircraft storm low overhead, and not knowing they are our own military, the noise is terrible. I start to step over the railing, ready to face the Hudson River rather than whatever that noise brings.
