Who am I NewBuddhist

If pushed, I'd say the core of any Zen practice is striving for insight into the fundamentally brutal question of "Who am I?" Some practices try to sugar coat this by saying it's "What am I?" or "What is the nature of my mind?" or some such, but that's trying to elevate the question to some impersonal observation.

Buddhist Perspective of Who am I What am I

What am I? From the perspective of the Buddhist teaching Anatta or not-self, the existence of a sense of identity of any being may not exist through the binding concept of a soul. The law of the impermanence under the Buddhist belief rejects the concept of anything infinite, everlasting, and even divine, all which are made present within the concept of a soul.

Dharma Dew Who am I Buddhist Channel

He wanted to answer the question: "Who am I?" Eventually, he realized there is no "I" at all. In life, we ask ourselves a lot of questions. But sometimes we forget to question the questioner. This is the purpose of Buddhism: To find the nature of consciousness. The meaning of reality. Meaning starts with perception.
