Making Peace With the Earth Beyond Land Wars And Food

Making peace with the Earth begins with a paradigm shift from the mechanistic ideas of the earth as dead matter to the earth as Gaia, a living planet, our mother. We need a new paradigm for living on the Earth because the old one is clearly not working. An alternative is now a survival imperative for the human species.

Review Making Peace with the Earth by Vandana Shiva

Review: Making Peace with the Earth, by Vandana Shiva (Pluto Press/Fernwood Publishing, 2013) It seems to be a localised capitalism in conjunction with a spiritual shift in our relationship to the Earth, and raises more questions than it answers. These criticisms shouldn't put anyone off reading the book.
