Modern history Wikipedia

Modern history, the modern period or the modern era, is the linear, global, historiographical approach to the time frame after post-classical history. Modern history can be further broken down into periods: The early modern period began approximately in the early 16th century; notable historical milestones included the European Renaissance, the Age of Discovery, and the Protestant Reformation.

History of Europe Wikipedia

The history of Europe covers the peoples inhabiting Europe from prehistory to the present. During the Neolithic era and the time of the Indo-European migrations Europe saw migrations from east and southeast and the following important cultural and material exchange. The period known as classical antiquity began with the emergence of the city-states of ancient Greece.
