The Power of Glamour Longing and the Art of Visual

In "The Power of Glamour," Postrel explores visual culture as expressed in (and by) advertising, art, fashion, graphic design, film, status symbols, and celebrities. The presence and development of writing systems are what distinguishes "prehistory" from "history," but Postrel makes a compelling case that what we see--across time and place--can tell us just as much, if not more, than the written record.
