What is a market definition and meaning

Yesterday I went to the grocery store and asked a person working there why beef was so expensive. He told

me that the market determined the price, and his supplier raised prices, so they had to raise prices on the consumer as well.

Drip marketing Wikipedia

Drip marketing is a communication strategy that sends, or "drips," a pre-written set of messages to customers or prospects over time. These messages often take the form of email marketing, although other media can also be used. Drip marketing is distinct from other database marketing in two ways: (1) the timing of the messages follow a pre-determined course; (2) the messages are dripped in a
