## RELATED BOOK :

### **Night Ferry Wikipedia**

The Night Ferry was an international boat train from London Victoria to Paris Gare du Nord that crossed the English Channel. It ran from 1936 until 1939 when it ceased due to the onset of World War II. It resumed in 1947, ceasing in 1980. It was operated by Compagnie Internationale des Wagons-Lits until 1977 and then British Rail.

### **The Night Ferry by Michael Robotham Goodreads**

The Night Ferry was a fine mystery/crime thriller although the mystery was solved long before the book ended leaving the last 20% or so of the book as a bit boring. I liked the MC, Alisha Barba, but she was definitely a bit self-righteous and so confused at times.
