### **How to Buy Bank Owned Foreclosures or REOs**

Banks own real estate because they have acquired the homes through foreclosure. Homes on a bank's books are called REOs, which is an acronym for "real estate owned." When banks receive the property deeds to homes through the foreclosure process, it's often because no one showed up on the courthouse steps to bid the minimum amount of the existing mortgage(s) or the bank purposely started the

### **Foreclosure Wikipedia**

The impact of foreclosure goes beyond just homeowners but also expands to towns and neighborhoods as a whole. Cities with high foreclosure rates often experience more crime and thefts with abandoned houses being broken into, garbage collecting on lawns, and an increase in prostitution. Foreclosures also impact neighboring housing sales on two levels space and time.
