When the Mind Hears A History of the Deaf by Harlan Lane

If you enjoy narrative non-fiction, you might well enjoy When the Mind Hears far more than I did. As I get older, I get more and more curmudgeonly about books like these; I don't need a history book to read like a novel before I give a damn, and in fact, it often puts me off. While Lane's choice to

When the Mind Hears A History of the Deaf by Harlan Lane

When The Mind Hears is a thought provoking page-turner. It is so readable that I looked forward to every time I opened its pages. As it is told from Laurent Clerc's point of view, the reader is constantly looking and wondering about new developments in the struggle for a voice among the deaf.
