### **Mary Poppins Wikipedia**

Mary Poppins is a series of eight children's books written by Australian-British writer P. L. Travers and published over the period 1934 to 1988. Mary Shepard was the illustrator throughout the series.. The books centre on the magical English nanny Mary Poppins, who is blown by the East wind to Number 17 Cherry Tree Lane, London, and into the Banks' household to care for their children.

### **Mary Poppins Film TV Tropes**

Describe Mary Poppins?She's "practically perfect in every way," of course. If that's too much of a mouthful for you, she's also a magical nanny, who literally flies into the life of the Banks family of London, England, in 1910. When most people hear the name, they think of the 1964 Walt Disney Pictures movie, adapted from the book series of the same name by P.L. Travers.

### **Writing Fantasy Fiction at The Crafty Writer**

Fantasy is probably the most popular of all children's genres; however much of it is still read and enjoyed by adult readers. One only has to look at the highly successful Harry Potter series to see how much influence this type of writing has. But as a writer you need to be aware of a few facts and conventions of the genre before trying your hand at writing fantasy.
