### **The Best Books on Men and Women Five Books Expert**

Browne's book conclusively demonstrates that men on the whole make more money and attain higher status than women, not because of employer discrimination or any other external factors, but simply because men want to make more money and women have better things to do than make money.

### **Do men and women read books differently Marginal**

Do they read books differently, or do they read different books? I hate to channel Larry Summers here, but if women read Sandra Brown or Dan Brown while men read James Joyce or non-fiction, I could see how women would read faster and men would have shelves of never opened books.

### **Men Women Enjoying the Difference by Larry Crabb**

The helpfulness of this book surprised me. Crabb takes a good, therapeutic and biblical look at how men and women are different at the level of the soul and why/how that impacts interdependence and intimacy.
