

CHANGING FOR GOOD BOOK

RELATED BOOK :

Changing for Good A Revolutionary Six Stage Program for

I bought this book used and not expecting much, but surprisingly it turned out to be quite helpful in changing a few of my bad habits. The book description in the ad doesn't really describe what it's all about.

CHANGING FOR GOOD By James Prochaska PH D John Norcross

Successful, self-changing individuals follow a powerful and, perhaps most important, controllable and predictable course. Know what stage you are in for the problem you want to overcome. Even if you are not ready to act, you can set the change process into motion. The key is successful change is to use the right strategy for the right time.

Changing for Good Goodreads Share book

A great book about change and how it happens (or doesn't). It takes a well documented approach that sets most of change theory on its head. Conceiving of change as a multi-level, multi-faceted process instead of a one-time, winner-take-all decision is a significant shift (at least in my thinking) for individual change.
