Amazon com The Power of Six Lorien Legacies Book 2

The Power of Six is told in alternating points of view--John (Number Four) and Marina (Number Seven). The writing style was very effective for this book. Just when something major would happen, the points of view would shift so the reader is left wondering what is going on with the other character.

The Power of Six Lorien Legacies Series 2 by Pittacus

The Power of Six is a strong follow-up to I Am Number Four (review here). The story picks up shortly after the last book ended, but it opens with a new member of the Garde (super-cool young aliens with special powers, only six known survivors of their race).
