RELATED BOOK :

D D for Kids susan j morris

Ran this with two 45+ parents, one 19 year old, a ten year old and his five year old brother. Everyone enjoyed it, and it was a good intro. It was a great introduction for them to the dungeon master paradigm.

Impressions Desktop Dungeons Rock Paper Shotgun

It s a stressful game, in the best possible way stress that drives you to do better, try harder, understand more. The consequence of ill-judged moves early on may not become apparent until the final stages of a quest, when you re up against fearsome level 9s or even the boss, and you re just a handful of experience points or a single potion short of victory.

An elegant role-playing game gains maximum play value out of a concise set of simple rules. Elegant rules apply broadly so fewer rules can cover whatever happens in the game.

Garage Hangover The site for '60s garage bands since 2004

The Cherades are an unknown group who covered two hits from 65 and 66 for release on RHM Records 1001/1002. Their version of Love s arrangement of My Little Red Book is very good, I d say this was a studio group except the lead singer sounds unpolished.
