Brave New World and Brave New World Revisited Aldous

The astonishing novel Brave New World, originally published in 1932, presents Aldous Huxley's vision of the future -- of a world utterly transformed. Through the most efficient scientific and psychological engineering, people are genetically designed to be passive and therefore consistently useful to the ruling class.

Brave New World Wikipedia

Brave New World Revisited (Harper & Brothers, US, 1958; Chatto & Windus, UK, 1959), written by Huxley almost thirty years after Brave New World, is a non-fiction work in which Huxley considered whether the world had moved toward or away from his vision of the future from the 1930s. He believed when he wrote the original novel that it was a reasonable guess as to where the world might go in the
