Bad Kitty Meets the Baby by Nick Bruel Goodreads

In my opinion, Bad Kitty Meets the Baby by Nick Bruel is hilarious and meets all the criteria for a cat lover . Based on Mya s inventory, she likes animal books and wishes she had a cat store. Although this is a fictional chapter book, it does have fun facts about why cats climb trees and how to get them down safely.

Bad Kitty Meets the Baby by Nick Bruel Paperback Barnes

Bruel's fourth long-form tale of Bad Kitty (Bad Kitty vs. Uncle Murray, 2010, etc.) offers his trademark spastic black-and-white illustrations in full-bleed and spots with plenty of baby and cat sounds in dialogue bubbles (translated into English where necessary). Uncle Murray's Fun Facts return with occasional chapters on cat climbing and getting stuck in trees.

Bad Kitty Meets the Baby Sweet on Books

Baby needed people to love her and take care of her. So Bad Kitty does just that: she comically helps Baby use her litter box, shares her cat food and tries to give Baby a kitty bath. She even protects Baby when they want to give her a regular bath, because surely nobody likes to get all wet! Bruel has created a funny little character in Bad Kitty. Kitty is part drama queen and part neurotic prone to fits of delusions that are sidesplittingly funny.
