Amazon com The Social Conquest of Earth 8601404710070

At the core of The Social Conquest of Earth is the unresolved, unresolvable tension in our species between selfishness and altruism. Wilson brilliantly analyzes the force, at once creative and destructive, of our biological inheritance and daringly advances a grand theory of the origins of human culture.

The Social Conquest of Earth by Edward O Wilson

The Social Conquest of Earth is a huge, deep, thrilling work, presenting a radically new but cautiously hopeful view of human evolution, human nature, and human society. No one but E. O. Wilson could bring together such a brilliant synthesis of biology and the humanities, to shed light on the origins of language, religion, art, and all of human culture.
