### **Tethered by Amy MacKinnon Goodreads Share book**

The main character in this book works in the funeral industry. Interesting coincidence or did the author do this on purpose? Hmm. Review: Reading this book was a weird experience. It wasn't the book's fault. I've never read Tethered before, so of course most of it was new to me.

### **Summary and book reviews of Tethered by Amy Mackinnon**

Tethered is the first book in recent memory that I absolutely could not read fast enough to see how it comes out . I still can't say whether Tethered should be categorized as a mystery or a literary novel but what I do know is that with her stupendous prose and intricate characterizations MacKinnon has penned a winner.
