

BENEATH HER FEET

RELATED BOOK :

The Ground Beneath Her Feet Wikipedia

The Ground Beneath Her Feet is Salman Rushdie's sixth novel. Published in 1999, it is a variation on the Orpheus/Eurydice myth with rock music replacing Orpheus' lyre. The myth works as a red thread from which the author sometimes strays, but to which he attaches an endless series of references.

Beneath definition of beneath by The Free Dictionary

In the shadows of the forest that flanks the crimson plain by the side of the Lost Sea of Korus in the Valley Dor, beneath the hurtling moons of Mars, speeding their meteoric way close above the bosom of the dying planet, I crept stealthily along the trail of a shadowy form that hugged the darker places with a persistency that proclaimed the sinister nature of its errand.
