The Boundless by Kenneth Oppel Goodreads Share book

The Boundless is the longest train ever built I found this entertaining, particularly as I got towards the end, but I'm not the target audience for this book and I think it showed. If I'd read this as a child I think I would have loved it though.

Boundless begins not long after Clara and Angela have returned from Italy. They are enrolled as freshman at Stanford University, strangely normal for two angel girls. So much has changed for Clara in love, life, and for her divine purpose. I think this was my favorite book of the series. It was a perfect finale to a wonderful series!
