The basics of baby schedules Why when and how to start

During the newborn period, it's especially important that your baby get enough breast milk or formula to avoid problems like poor weight gain and dehydration. You should never withhold food or sleep when your baby seems to need it because it's "not the right time yet."

Nanny Wikipedia

A nanny provides child care within the children's family setting. Traditionally, nannies were servants in large households and reported directly to the lady of the house. Today, modern nannies, like other domestic workers, may live in or out of the house, depending on their circumstances and those of their employers. There are many employment agencies that specialize in childcare.
