Sacr Bleu A Comedy d Art Christopher Moore

A magnificent Comedy d Art from the author of Lamb, Fool, and Bite Me, Moore's Sacr Bleu is part mystery, part history (sort of), part love story, and wholly hilarious as it follows a young baker-painter as he joins the dapper Henri Toulouse-Lautrec on a quest to unravel the mystery behind the supposed suicide of Vincent van Gogh.

Sacr Bleu by Christopher Moore

Sacre Bleu is a bit different than the usual Moore novel. While it can be hilarious and probably beats the record for the gratuitous use of the word "penis", it does not rise to the continuous hurts-to-laugh level as his Pine Cove books.

Summary and reviews of Sacre Bleu by Christopher Moore

Sacre Bleu is a fun read I am a huge fan of Christopher Moore so I was excited to be selected to review his latest book, Sacre Bleu. While not as laugh out loud funny as some of his other works, Sacre Bleu is still highly original and entertaining. It is probably the quirkiest art history you will ever read. Karen M.
