A Perfect Proposal by Katie Fforde Goodreads

A Perfect Proposal is a classic in the making. With two amazing main characters, and great supporting ones, Ms. Fforde has written a novel that is easy to read, and easy to love. Sophie's attitude toward her unappreciative family makes her lovable and relatable.

A Perfect Proposal A Novel Katie Fforde 9781250024299

A Perfect Proposal was a good example of that skill. The story is pretty bland (not much happens plot-wise) and yet the heroine is engaging (if a bit young) and you find yourself rooting for her HEA. The supporting cast of characters was fun to read about, the hero was nice (though a bit bland and one dimensional,) and the settings were pleasant to read about.
