Five stars for spy camp! This book is amazing! I was first introduced to the spy school book last year and I was instantly hooked! This is the sequel to spy school and I actually think I love the second book more than the first. Thank you Stuart Gibbs for turning old fashioned detective literature into hilarious books for people of all ages.

Spy Camp Spy School Book 2 Book Review

Parents need to know that Spy Camp, the sequel to Spy School, is a mystery about a summer camp that trains teens to be future spies and is full of the sustained peril and weapons-obsessed mayhem typical of the spy genre. In this series, the violence is more cartoonish than realistic and often plays for humor.
