## RELATED BOOK :

### **Homeward Bound Why Women Are Embracing the New**

Most of the people in the book that the author interviews claim that they chose to embrace the New Domesticity because of difficulties in finding work/life balance, concerns about the environment, and an overall dissatisfaction with modern life.

### **New Domesticity**

But in her new book, *Homeward Bound: Why Women Are Embracing the New Domesticity*, Emily Matchar makes a convincing argument that it actually represents a generational change in values born of a deep disaffection with the modern workplace, one with real implications for gender equality. Inasmuch as this new domesticity represents a desire to live more sustainably and authentically, it is wholly laudable, if also a bit precious.

### **The New Domesticity book review of Homeward Bound**

My version of the New Domesticity means my kids watch too much TV while I work and the laundry just never seems to be caught up, but I'm home with my kids, doing a job that I love, and I have a lot more freedom in the choices I make, which I also love.

### **Homeward Bound Why Women are Embracing the New**

But then, on the other hand, this new culture is deeply concerning to me. As some of the critics of this New Domesticity point out in the book, women still have a ways to go to gaining equality in the workplace, and it feels like this is all a step in the wrong direction.
