

PURPOSE OF ASSESSMENT IN CHILD CARE PROGRAMS

RELATED BOOK :

The Purpose of Early Childhood Assessment CDE

The purpose of assessment in early childhood is to determine students strengths and set goals for instruction. Assessments in early childhood support the ability to provide individualized and just right activities for students across areas of development that research has shown are important for later academic learning and life-long success.

Assessment in Early Childhood Get Ready to Read

Both NAEYC and DEC recognize assessment as a central component of early childhood programs and prescribe its use for a variety of purposes. NAEYC recommends that assessment be used for decision-making regarding teaching and learning, identifying children's needs, and improving education and intervention programs (NAEYC, 2005).
