Wereworld book #3, Shadow of the Hawk, is a amazing book that completely lives up to the expectations set by the first two books. As with the last two books, it can get a bit gory, so I would definitely recommend it for older teens.

Wereworld Shadow of the Hawk ThirstForFiction

Wereworld s greatest strength lies in its concept of upper-class, ruling were-creatures as well as its lack (or sidelined) use of common magic which differentiates it from most modern fantasies. Shadow of the Hawk is an entertaining and exciting followup to the previous two Wereworld novels, offering more than just a mere fantasy quest.
