Opposites Attract book by Lynn Kurland

The novella compilation is a difficult genre for an author. The story has to develop the characters and romance enough that they're believable in a much shorter length of time. While a reader could accuse "Opposites Attract" of being "too light" and perhaps a bit unbelievable, this is a charming and entertaining collection by authors that all handle the novella genre well. Kurland's "Icing" is

No opposites do not attract The Conversation

Everyone seems to agree that opposites attract. Young and old people, happy and distressed couples, single folks

and married partners all apparently buy the classic adage about love.
