

[KATE MORTON DISTANT HOURS](#)

RELATED BOOK :

The Distant Hours Kate Morton

Morton is the master of the atmospheric old-fashioned novel packed with enough stories to fill all the worn satchels in the Milderhurst attic. The Distant Hours is saturated with the sights and sounds of country life during wartime, Blitz-torn London and the ghostly passageways of the decaying castle.

The Distant Hours by Kate Morton

I adored Kate Morton's *The House At Riverton* and *The Forgotten Garden*, giving them both 5 stars, but delayed reading *The Distant Hours* after hearing so many bad reviews about it from people who, like me, loved those earlier books. I finally decided to take the plunge, hoping to disagree with the bad reviews.

The Distant Hours Kate Morton Caroline Lee

I just finished *The Distant Hours*, my second within a couple of weeks by Kate Morton. I just find that I have so much admiration for this writer. The plots, the writing, the suspense, keeping the whole thing tied together while skipping from character to character, location to location, time period to time period.

Behind The Distant Hours Kate Morton

The Distant Hours took ten months to write, beginning to end, with another three months of intensive editing and rewriting. Thankfully I'd already done lots of research on Kent and the Second World War for the poor, abandoned project that still lies at the bottom of my cupboard.

The Distant Hours A Novel Kindle edition by Kate Morton

I normally love Kate Morton's books, but *Distant Hours* was a little disappointing. As usual, the scene was laid out in beautiful, descriptive language, but I found the first half slow moving and at times a little boring.
