### **Eternals comics Wikipedia**

The Eternals are a fictional species of humanity appearing in American comic books published by Marvel Comics. They are described as an offshoot of the evolutionary process that created sentient life on Earth. The original instigators of this process, the alien Celestials, intended the Eternals to be the defenders of Earth, which leads to the inevitability of war against their destructive

### **Eternal Sunshine of the Spotless Mind 2004 IMDb**

Very nicely crafted science fiction love story. More of an experience than a film. What? Sci Fi? Well yes. A simple science fiction device, memory erasure, is the vehicle for this beautifully shot, brilliantly edited and directed love fable.
