### **Dancing on Broken Glass by Ka Hancock Goodreads**

Dancing on Broken Glass is Ka Hancock's debut. That is hard to believe, because its one of the most true to life books I've read. I almost put it down half way through, because it was hard for me to read about Lucy's cancer. It is a love story, one that is imperfect, but yet so true. It's also about the love of 3 sisters.

A powerfully written novel offering an intimate look at a beautiful marriage and how bipolar disorder and cancer affect it, Dancing on Broken Glass by Ka Hancock perfectly illustrates the enduring power of love. Lucy Houston and Mickey Chandler probably shouldn't have fallen in love, let alone gotten married.
