Book Wikipedia

A book is a series of pages assembled for easy portability and reading, as well as the composition contained in it. The book's most common modern form is that of a codex volume consisting of rectangular paper pages bound on one side, with a heavier cover and spine, so that it can fan open for reading.

The Books That Started the Quiet Revolution Quiet Revolution

The monumental bestseller Quiet has been recast in a new edition that empowers introverted kids and teens. The original book focused on the workplace, and Susan realized that a version for and about kids was also badly needed. This book is all about kids world school, extracurriculars, family life, and friendship.
