Book illustration Wikipedia

Book illustration as we now know it evolved from early European woodblock printing. In the early 15th century, playing cards were created using block printing, which was the first use of prints in a sequenced and logical order.

SCBWI

If you plan to traditionally publish a book, you shouldn't look for an illustrator on your own. In the event that a publishing house acquires your book, the publishers will match your text with an illustrator of their choice.

Peter H Reynolds' Books Projects

Many people, especially children, ask me where I get the ideas for my stories, how long it took me to write a book, or why I gave a particular name to a certain character. Here is where I'll try to answer some of those questions, so that it might help you learn more about the creative process, or at least my creative process!
