The Road Less Traveled A New Psychology of Love

"The Road Less Traveled" will make you realize that you CAN take charge of your life and your destiny. It is a journey toward self-acceptance that will affirm that life is worth living. It is one of the best books I have ever read. I was introduced to the book when I first began 12-step recovery over twenty years ago.

The Road Less Traveled by M Scott Peck Hardcover

The book is not religious in nature, but spiritual and just a tad 'new age'. As a Christian counselor, I give this book to all I counsel. The Road Less Traveled will give you a new and more spiritual perspective and is practical enough to bring about real change. Highly recommended.
