### **Human branding Wikipedia**

Human branding or stigmatizing is the process which a mark, usually a symbol or ornamental pattern, is burned into the skin of a living person, with the intention that the resulting scar makes it permanent. This is performed using a hot or very cold branding iron. It therefore uses the physical techniques of livestock branding on a human, either with consent as a form of body modification; or

### **Vehicle title branding Wikipedia**

Vehicle title branding is the use of a permanent designation on a vehicle's title, registration or permit documents to indicate that a vehicle has been written off due to collision, fire or flood damage or has been sold for scrap.. The designation or brand is mandatory in most provinces and states in North America when an insurer or vehicle owner writes off a vehicle as a "total loss".
