The Distant Hours by Kate Morton Goodreads

The Distant Hours is packed full of unnecessary detail and description. On and on it goes, page after page of long-winded waffle, page after page of no dialogue, no action and I adored Kate Morton's *The House At Riverton* and *The Forgotten Garden*, giving them both 5 stars, but delayed reading *The Distant Hours* after hearing so many bad reviews about it from people who, like me, loved those earlier books.
