The Heart Mender A Story of Second Chances by Andy Andrews

The Heart Mender by Andy Andrews presents two compelling and engaging stories. The first story, which consists of parts 1 and 3 of the book, tells the story of Andrews discovery of World War II German U-Boat artifacts in his Gulf Coast yard and his own personal journey to uncover the origins of how these items got into his yard.

Book Review The Heart Mender by andyandrews Andy Andrews

Book Review: The Heart Mender by @andyandrews (Andy Andrews) That's my take on The Heart Mender by Andy Andrews. It's a charming story of love and forgiveness, and it's woven into the historical setting of World War II America. For the narrative alone, the book is worth the read, but the message it contains is well worth absorbing as well.
