Near death experience Wikipedia

A near-death experience (NDE) is a personal experience associated with death or impending death. When positive, such experiences may encompass a variety of sensations including detachment from the body, feelings of levitation, total serenity, security, warmth, the experience of absolute dissolution, and the presence of a light.

Afterlife Wikipedia

The afterlife (also referred to as life after death) is the belief that the essential part of an individual's identity or the stream of consciousness continues after the death of the physical body. According to various ideas about the afterlife, the essential aspect of the individual that lives on after death may be some partial element, or the entire soul or spirit, of an individual, which

Journey of Souls Case Studies of Life Between Lives

Journey of Souls is a controversial yet inspiring investigation of the big question we all face at one point or another: "What happens after we die?" To find the answer, Newton opens cases from his private practice in which he hypnotically regressed his clients to a point between lives--after death, but before birth.
