

GATEKEEPERS BOOK

RELATED BOOK :

The Gatekeepers How the White House Chiefs of Staff

"The Gatekeepers: How the White House Chiefs of Staff Define Every Presidency," by Chris Whipple, is a frank, hot-off-the-press book that incidentally addresses, with stunning and humorous detail, a key dilemma for all CEOs what's better: a chief of staff or seven or more direct reports?

The Gatekeepers by Chris Whipple Penguin Random House

Their job title is chief of staff but Chris Whipple in his new book calls them The Gatekeepers. What the chiefs do is what politics is. The president may run the country but his chief of staff runs the president what he reads at night and who he sees by day, what he does and says, what he pushes or ignores.

The Gatekeepers How the White House Chiefs of Staff

I decided to read The Gatekeepers by Chris Whipple as I have an avid interest in the history of the United States and the Presidents who led our nation. This book offers a look into those who have the role of being the one to tell the President no or that is not a good idea. The book is well written and researched.

The Gatekeepers by Jen Lancaster Goodreads

Teen suicide is a major theme of "The Gatekeepers" but don't be put off by the seriousness of this because mostly it's a book about teens being teens. Going to parties, making friends, struggling with academics, and worrying about what college will accept them.
