RELATED BOOK :

Civil rights movement Wikipedia

The Civil Rights movement (also known as the African-American civil rights movement, American civil rights movement and other terms) in the United States was a decades-long movement with the goal of enforcing constitutional and legal rights for African Americans that other Americans already enjoyed. With roots starting in the Reconstruction era during the late 19th century, the movement

Civil rights movements Wikipedia

Civil rights movements are a worldwide series of political movements for equality before the law, that peaked in the 1960s. [citation needed] In many situations they have been characterized by nonviolent protests, or have taken the form of campaigns of civil resistance aimed at achieving change through nonviolent forms of resistance. In some situations, they have been accompanied, or followed

African American Civil Rights Movement 1954 1968

The African-American Civil Rights Movement was a group of social movements in the United States. Their goal was to gain equal rights for African-American people. The word "African-American" was not used at the time, so the movement was usually called The Civil Rights Movement. This article talks about the part of the movement that lasted from about 1954 to 1968.
