The Indian In The Cupboard Movie Review 1995 Roger Ebert

There is a word for "The Indian in the Cupboard," and that word is "creepy." The movie is about a little boy with a magic cabinet that turns plastic toys into real, living humans who are 2 or 3 inches high, and puts the boy in the god-like position of being in complete control of their worlds and their fates.

Lynne Reid Banks The Indian in the Cupboard where Omri

I understand why there is discretion towards the view the "Indian in the cupboard". It is very controversial because although it could be offensive to many people and although these are just child toys, it gives children a specific view of Indians and that will stay with them for majority of their lives.
