### **Musket Wikipedia**

A musket is a muzzle-loaded long gun that appeared as a smoothbore weapon in early 16th-century Europe, at first as a heavier variant of the arquebus, capable of penetrating heavy armor. By the mid-16th century, this type of musket went out of use as heavy armor declined, but as the matchlock became standard, the term musket continued as the name given for any long gun with a flintlock, and
