### **Broken windows theory Wikipedia**

The broken windows theory is a criminological theory that visible signs of crime, anti-social behavior, and civil disorder create an urban environment that encourages further crime and disorder, including serious crimes. The theory thus suggests that policing methods that target minor crimes such as vandalism, public drinking, and fare evasion help to create an atmosphere of order and

### **Parable of the broken window Wikipedia**

The parable of the broken window was introduced by French economist Fr d ric Bastiat in his 1850 essay "Ce qu'on voit et ce qu'on ne voit pas" ("That Which We See and That Which We Do Not See") to illustrate why destruction, and the money spent to recover from destruction, is not actually a net benefit to society.. The parable seeks to show how opportunity costs, as well as the law of
